Product Vision

Create a modern, volunteer-friendly digital front door for Beacon Hill Youth Soccer that helps families register successfully, supports volunteers, promotes scholarships, and reflects the diversity and community spirit of our club.

Product Goals

Goal 1

Help families successfully register players.

Success indicators:

- Registration information is easy to find.
- Scholarship information is clearly explained.

- Registration-related questions decrease.
-

Goal 2

Support volunteer recruitment and retention.

Success indicators:

- Volunteer opportunities are visible.
 - Coaches can find resources easily.
 - Volunteer enquiries increase.
-

Goal 3

Support fundraising and sponsorship growth.

Success indicators:

- Donation pathway is clear.
 - Sponsor opportunities are visible.
 - Sponsor enquiries increase.
-

Goal 4

Reduce website administration effort.

Success indicators:

- Content updates can be made without technical assistance.
 - Multiple volunteers can maintain the website.
 - Seasonal updates take minutes rather than hours.
-

MVP Scope

Pages

Version 1 Success

Version 1 is successful when:

- Families can easily register.
- Volunteers can easily find resources.
- Donations support scholarship funding.
- Sponsors can discover partnership opportunities.
- The website reflects the modern BHYS community.
- Content can be maintained by volunteers without technical support.
